Re: United States v. David Heyman, et al., 07-CR-69 (JG)

Dear Judge Gleeson:

With the consent of the government and the United States Probation Department, we write to request modification of David Heyman's supervised release conditions to permit unrestricted travel in New York, New Jersey, and Connecticut. Currently, Mr. Heyman's supervised release conditions permit unrestricted travel within the district of his supervision, the District of New Jersey. Mr. Heyman has been permitted by his U.S. Probation Officer to travel to Manhattan on a daily basis for work. The reason for this request is to enable Mr. Heyman to travel more freely for work and to visit family members in the tri-state area on short notice, without first obtaining approval. We have spoken with both Mr. Heyman's U.S. Probation Officer, Susan Karlak, and Assistant United States Attorney Jay McMahon¹ who both consent to this request.

Mr. Heyman served the 15-month sentence imposed by the Court without incident, successfully completed 3 months in a halfway house, and has been doing the 400 hours of community service imposed by the Court as part of his sentence at Friends of Island Academy, the same place Mr. Heyman volunteered pre-sentencing. He also settled his related case with the United States Securities and Exchange Commission and paid disgorgement in that matter. Mr. Heyman is doing well on supervised release. He is employed in the finance department at

¹ Before he left the United States Attorney's Office, AUSA Sean Casey, who was handling this matter, had also consented to this request.
